Partnership for Reimagining Gainesville – What is it?

The Partnership for Reimagining Gainesville (PRG):

- Is a model of community-based collaboration and meaningful impact
- Aims to develop and enhance the capacity of our community to address complex social problems in the Gainesville area
- Fosters inter-organizational partnerships founded on principles of respect, transparency, and reciprocity
- Works with community stakeholders to actively identify and support impact-focused ideas, projects or initiatives driven by community needs
- Is coordinated by the Community Foundation of North Central Florida
- Was established by the University of Florida together with the City of Gainesville

Focus Areas – Partnership for Reimagining Gainesville

Local Food Systems

... to support ideas that enhance food accessibility and that help the community build comprehensive and sustainable food systems. Community Health & Wellness

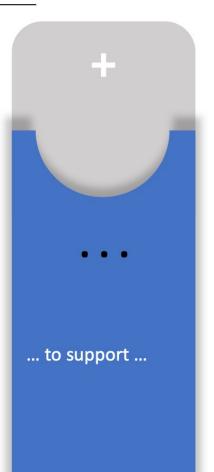

... to support collaborations that facilitate programs and services that promote health and well-being in our community.

Education & Vocational Training

... to support quality learning and training programs that improve education and job opportunities.

The Education Foundation of Alachua County is focused on school children Community Foundation will be addressing other connectivity issues in the community (housing authority, seniors, etc.) Philanthropic Engagement Generational Giving
